The adjustable resistance gauge, available on the kit located at this site, allows for the user to alter the resistance for their comfort. This allows the user to increase or decrease the resistance depending on their training goals and workout choice.

If you would like further instructions on how to use the outdoor gym equipment at Maygrove Peace Park. You can use your mobile phone camera to scan the QR code on the piece of kit.

You may need to change or check your mobile camera settings if your camera has not recognised the QR Code.
