Self-Assessment – Housing Ombudsman Complaints Handling Code

The Housing Ombudsman updated its Complaints Handling Code in April 2022.

This self-assessment is based on handling complaints relating to services provided by the Council as Landlord i.e. Housing Management and Property Management. This self-assessment is for 2022/2023 and this version created following a review of the Council's Complaints Policy and Procedure in June 2023.

The Council has a single complaints policy and procedure covering all corporate and statutory complaints handling for all service areas and is not just for Housing complaints. The Housing Ombudsman's Complaints Handling Code requirements have been incorporated into the Corporate Complaints Handling Policy and Procedure.

Section 1 - Definition of a complaint

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
1.2	A complaint must be defined as: 'an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the organisation, its own staff, or those acting on its behalf, affecting an individual resident or group of residents.	Yes	<p>The Council's definition is a simplified version of the Ombudsman's, which has been feedback from a customer-led initiative.</p> <p>The Council uses a Plain English definition that covers complaints relating to all service areas: 'When someone lets us know that they are unhappy with our service and they want us to take action to resolve it' Our policy also provides detail on what defines a complaint: Examples of a complaint</p> <ul style="list-style-type: none"> • Failure to follow process • Failure to follow the council's own policy • Significant or repeated failure to provide a service • Failure to do what we said we would do • Failure to respond <p>The policy states that when an individual wishes to complain about a Council service, they should contact the Council for all matters even if that service is provided by a third party or contracted out service. The Council is responsible for handling all complaints and liaising with third parties as necessary.</p> <p>Tenant's handbook & welcome pack Contains the definition of a complaint & exceptions</p>
1.3	The resident does not have to use the word 'complaint' for it to be treated as such. A complaint that is submitted via a third party or representative must still be handled in line with the landlord's complaints policy.	Yes	<p>Our complaint e-form allows the resident to use their own words. Complaints are then triaged to check they meet the above definition and are handled in line with our complaints policy.</p> <p>The e-form has a section for a third party or representative to make a complaint on behalf of someone else. It requires proof that the resident has given consent for the third party to act on their behalf.</p> <p>In training guidance staff are advised that if they are unsure if an enquiry is a complaint or not to refer it the Complaints team.</p>

1.6	... if further enquiries are needed to resolve the matter, or if the resident requests it, the issue must be logged as a complaint.	Yes	Being able to resolve a matter at the point of contact is important and the Council's aim is to resolve issues for our residents as quickly and simply as possible and to the resident's satisfaction. This is done by discussing with the resident their issue, whether it can be resolved as a service request (Business as Usual). Where an issue that has been raised has not been dealt with satisfactorily at the point of contact then the formal procedure is started and the issue is logged as a complaint. This is done within 5 days of the issue being first raised.
1.7	A landlord must accept a complaint unless there is a valid reason not to do so.	Yes	When someone lets us know they are unhappy with a service, we will accept it as a complaint unless it does not meet our definition of a complaint (see 1.8)
1.8	A complaints policy must clearly set out the circumstances in which a matter will not be considered, and these circumstances should be fair and reasonable to residents.	Yes	<p>Our policy states:</p> <p>When we are unable or may not investigate a complaint</p> <ul style="list-style-type: none"> • We may not investigate if legal proceedings have started (ie when a claim is filed in court) and the Council considers the proceedings are inextricably linked to the complaint and therefore responding to the complaint would prejudice the proceedings. The threat of legal or other proceedings does not stop consideration of a complaint and the complaints manager will decide whether to investigate each case on an individual basis having taken legal advice when necessary • We cannot investigate any complaints where the Court has made a decision about the subject of the complaint • We cannot investigate when the complaint is not about Camden Council or a contractor or partner acting on our behalf <p>There are some types of complaints that fall outside the scope of this policy because there are other more suitable processes for dealing with them.</p> <ul style="list-style-type: none"> • Complaints about Councillors. Complaints of this nature are dealt with by Camden's Standards Committee • Complaints about your planning application. If we have refused your planning application for development or works where consent is required by planning law, in most cases you have a right to appeal to the Planning Inspectorate. We cannot investigate any decisions made by the Planning Inspectorate Make an appeal to the Planning Inspectorate • You disagree with a housing benefit decision. You can ask us to explain the reasons for the decision. We have an Unreasonable Behaviour Procedure to follow in these cases.</p> <p>In training guidance staff are advised that if they are unsure if a complaint is a valid complaint or not to refer it the Complaints team.</p>
<p>1.9</p>	<p>If a landlord decides not to accept a complaint, a detailed explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman.</p>	<p>Yes</p> <p>An enquiry submitted on the portal is triaged and when it is considered “not a complaint” then a template letter is generated which can be tailored explaining in detail why the issue is not being handled as a complaint and how the issue will be resolved. The rights to take the decision to the Ombudsman are included in the policy:</p> <p>Referring to the Ombudsman</p> <p>If a complaint has completed all stages of the Council’s procedure then you can contact the Ombudsman. The relevant Ombudsman can be contacted for advice at any point of the complaint process.</p> <p>The Housing Ombudsman deals with enquiries and complaints that are related to services provided by the council as a social landlord e.g., repairs to properties. Make a complaint - Housing Ombudsman (housing-ombudsman.org.uk)</p> <p>The Local Government and Social Care Ombudsman deals with enquiries and complaints that are related to all other council services. 1.4	Landlords should recognise the difference between a Service request , where a resident may be unhappy with a situation that they wish to have rectified, and a complaint about the service they have/have not received.	Yes	The portal allows officers to distinguish between “not a complaint” and “complaint”. “Not a complaint” is used if the enquiry does not meet our complaint criteria (see 1.8) or is a “service request” also called “Business As Usual”. In training guidance staff are advised that if they are unsure if a complaint is a complaint or a service request to refer it the Complaints team.
1.5	Survey feedback may not necessarily need to be treated as a complaint, though, where possible, the person completing the survey should be made aware of how they can pursue their dissatisfaction as a complaint if they wish to.	Yes	The Housing survey feedback now has the following information on the final “thank you for submitting” page of the survey: <ul style="list-style-type: none"> • Explain how to make a complaint • Signpost to complaints policy & process • Explain Ombudsman Scheme & Complaint Handling Code • Signpost to Ombudsman including for early advice

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
2.1	Landlords must make it easy for residents to complain by providing different channels through which residents can make a complaint such as in person, over the telephone, in writing, by email and digitally. While the Ombudsman recognises that it may not be feasible for a landlord to use all the potential channels, there must be more than one route of access into the complaints system.	Yes	<p>The main channel is a digital e-form on the Council's complaints webpage. Other available channels are:</p> <ul style="list-style-type: none"> ➤ Telephone ➤ In Writing (Post) ➤ Email ➤ In person ➤ Sign video (BSL) tool for deaf residents <p>In November 2023 we created a separate e-form for Stage 2 reviews making it easier for residents to submit a Stage 2 review request.</p>

The policy is written in Plain English and details of each stage and the timeframes for responding. Printed copies are available on request.</p>
2.4	Landlord websites, if they exist, must include information on how to raise a complaint. The complaints policy and process must be easy to find on the website.	Yes	<p>Housing repairs complaints webpage contains:</p> <ul style="list-style-type: none"> • Complaints policy & process, and how to make a complaint • Explanation of Ombudsman Scheme & Complaint Handling Code • Signposting to Ombudsman including for early advice
2.5	Landlords must comply with the Equality Act 2010 and may need to adapt normal policies, procedures, or processes to accommodate an individual's needs. Landlords must satisfy themselves that their policy sets out how they will respond to reasonable adjustments requests in line with the Equality Act and that complaints handlers have had appropriate training to deal with such requests.	Yes	<p>Camden is committed to making our complaints process barrier-free and as accessible as possible for everyone. 2.2	Where a landlord has set up channels to communicate with its residents via social media, then it should expect to receive complaints via those channels. Policies should contain details of the steps that will be taken when a complaint is received via social media and how confidentiality and privacy will be maintained.	Yes	The complaints policy refers to any written medium which includes Twitter, Facebook and other social media channels for submitting a complaint. These are all subject to the same data protection practices to ensure privacy and confidentiality when handling a complaint. The council's communication team manages all social media. If a complaint is identified via social media then it is passed to the complaints team who will then take steps to address the issues privately with the person posting. Complaints are not responded to on any public platforms.

Section 3 - Complaint handling personnel

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
3.1	Landlords must have a person or team assigned to take responsibility for complaint handling to ensure complaints receive the necessary attention, and that these are reported to the governing body. This Code will refer to that person or team as the "complaints officer".	Yes	<p>The Council has a Central Complaints Team managed by the Service Manager – Information Governance who is the designated liaison officer with governing bodies.</p> <p>The Central Complaints Team is:</p> <ul style="list-style-type: none"> 1 x Team Leader – Complaints (TL) 5 x Complaints Officer (CO) 2 x Complaints Officer (CO) (fixed term contract) 2 x Case Co-ordinator (permanent) (CC) 1 x Case Co-ordinator (CC) (fixed term contract) <p>Housing Repairs and Housing Needs have dedicated case management teams for casework & complaint handling.</p> <ul style="list-style-type: none"> 1 x Manager 6-8 x Case management officers
3.2	...the complaint handler appointed must have appropriate complaint handling skills and no conflicts of interest.	Yes	<p>All roles in the Central Complaints Team require skills and experience in complaint handling as per the job profile.</p> <p>The team acts as an independent and objective investigator for complaints. In addition to this the Case Management Officers responses are audited to ensure quality responses are being provided. They also have regular plain English training.</p>

Best practice ‘should’ requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
3.3	Complaint handlers should: <ul style="list-style-type: none"> • be able to act sensitively and fairly • be trained to handle complaints and deal with distressed and upset residents • have access to staff at all levels to facilitate quick resolution of complaints • have the authority and autonomy to act to resolve disputes quickly and fairly. 	Yes	Mandatory Safeguarding awareness training is required for all roles in the Complaints Team to allow them to spot possible safeguarding issues when dealing with distressed residents. Specific training on handling challenging customers and for dealing with people with mental health issues including suicide awareness is part of the Council’s mandatory learning for all staff. Staff attend Effective Complaints Handling provided by governing bodies as available. TL and COs facilitate training to all other staff in the Council on the Council’s complaints processes including IT systems and from Autumn 2022 will provide training on Effective Complaints Handling (to include writing responses, dealing with challenging people etc.) The Complaints Team staff can directly contact all staff in the Council (Chief Executive, Leader of the Council, Executive Directors, Directors, Head of Service, Managers, Officers, Councillors) to resolve complaints. There is an escalation process followed when a complaint response is nearing its deadline or has got “stuck”: Complaints Officer/Case Co-ordinator escalates to Team Leader, TL escalates to Service Manager, Service Manager escalates to Directors/Exec Directors/Heads of Service.

Section 4 - Complaint handling principles

Mandatory 'must' requirements

Code section	Code requirement	Comply: Yes/No	Evidence, commentary and any explanations
4.1	<p>Any decision to try and resolve a concern must be taken in agreement with the resident and a landlord's audit trail/records should be able to demonstrate this. Landlords must ensure that efforts to resolve a resident's concerns do not obstruct access to the complaints procedure or result in any unreasonable delay. It is not appropriate to have extra named stages (such as 'stage 0' or 'pre-complaint stage') as this causes unnecessary confusion for residents. When a complaint is made, it must be acknowledged and logged at stage one of the complaints procedure within five days of receipt.</p>	Yes	<p>Complaints submitted using the online form are logged automatically onto the Complaints Dashboard System. Complaints submitted using other channels are logged manually by the complaints team.</p> <p>The system generates an automatic acknowledgement with reference number that is sent immediately to the resident. Complaints are acknowledged and logged less than 24 hours from receipt.</p> <p>The complaint is then assigned to the relevant service area. Assigning should be done within 24 hours of receipt. Another email is auto-generated and sent to the resident giving them the name of the person handling their complaint.</p> <p>The assigned officer should accept the case within 24 hours of receipt.</p> <p>All of this has a full audit trail and documents are held on the system within the case record.</p> <p>There is no other named stage before Stage 1.</p> <p>Data from the dashboard a year after implementation shows that 100% of complaints coming into the Council using the e-form are logged and acknowledged immediately.</p> <p>90% of complaints coming into the Council via other channels (email, telephone call, post) are logged and acknowledged within 2 working days of receipt.</p>

<p>4.2</p>	<p>Within the complaint acknowledgement, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. If any aspect of the complaint is unclear, the resident must be asked for clarification and the full definition agreed between both parties.</p>	<p>Yes</p>	<p>The first acknowledgement is an auto-generated template used for ALL complaints across the Council (not just Landlord-related complaints). <i>Dear [RECEIVER_FULL_NAME\$],</i> <i>[CASE_REFERENCES\$]</i> <i>Thank you for contacting us about your concerns.</i> <i>Your complaint is in the Local Resolution stage of our Complaints Procedure which aims to resolve your concerns within 10 working days.</i> <i>If you require any special assistance or support to communicate with us then please let us know.</i> <i>Kind regards,</i> <i>Complaints Team</i></p> <p>If the responding officer has any queries about the complaint then they can send an email via the system to the resident asking for clarification. The resident can respond via a link. All of this has a full audit trail and documents are held on the system. The responding officer can also telephone the resident to ask for clarification. A record of this contact can be placed on the case notes. (Note: telephone calls handled by the complaints team are not recorded).</p> <p><i>Dear [RECEIVER_FULL_NAME\$]</i> <i>[CASE_REFERENCES\$]</i> <i>We need further information before we can consider your complaint/review request.</i> <i>Please provide the following (this is editable)</i></p> <ul style="list-style-type: none"> • <i>The dates and names of any officers you have spoken to</i> • <i>Attach emails you have sent to us and any responses you have received</i> • <i>Tell us the outcome you are looking for</i> • <i>Tell us why you are dissatisfied with the local resolution response and the outcome you are looking for</i> • <i>Complete and return the attached Complaints Consent form</i> <p><i>Please click on the link below and enter your clarification. Consequently, it is made clear what can be accepted as a complaint. The Council has a remedies policy and procedure which sets out what remedies could be expected in particular the levels of financial remedy that can be expected.

<p>4.4</p>	<p>A complaint should be resolved at the earliest possible opportunity, having assessed what evidence is needed to fully consider the issues, what outcome would resolve the matter for the resident and whether there are any urgent actions required.</p>		<p>On receipt of a complaint, it is triaged and assessed to whether it is a formal complaint to enter the procedure or can be dealt as a 'business as usual' request. The complaint is screened to check for any safeguarding or urgent actions required. Formal complaints are then passed on to the relevant service to assess what is required to resolve it as quickly as possible. Housing Repairs: A triage team acknowledges the complaint and contacts the relevant person(s)/departments to gather relevant information to start the investigation process to avoid delay. Our triage team will also provide the complainant with the name of the investigating officer. Officers will contact the complainant to ensure we have listened and understood the complaint and gather any further information required. The Officer will introduce themselves and provide direct contact details. In addition, they will discuss with the complaint their desired resolution if this has not been listed in the complaint and will also agree what they are going to do to investigate the complaint.</p>
<p>4.5</p>	<p>Landlords should give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord where this is reasonable.</p>	<p>Yes</p>	<p>Representatives can submit a complaint on behalf of someone else. The e-form asks the question: Is this your own complaint or are you doing it on behalf of someone else? Under Data Protection we are required to get authorisation from the resident that the representative can act on their behalf.</p>
<p>4.8</p>	<p>Where a key issue of a complaint relates to the parties' legal obligations landlords should clearly set out their understanding of the obligations of both parties.</p>	<p>Yes</p>	<p>Central complaints and service areas work closely with the Council's legal team when legal advice and guidance is required. 4.9	Communication with the resident should not generally identify individual members of staff or contractors.		Contractors are often referred to in communications with the resident where it is pertinent that the resident knows a contractor is involved. Where complaints are about a contractor then it is passed on directly to the contractor to respond to. Individuals are named on occasion. The Council considers it good practice that responses are provided by named members of staff. The resident is informed who is dealing with their complaint and provided with contact details should they have any queries.
4.10	Landlords should keep residents regularly updated about the progress of the investigation.	Yes	When a resident submits a complaint, they are sent an acknowledgement with a unique reference number, when the case is allocated to a service officer, the resident is informed via the system. If it is going to take longer than 10 days then the officer can send an explanation for the delay and estimated timeframes.
